PLAYLIST

The Preferred Music Playlist is our guide to your musical tastes. We provide you with thousands of music titles and respect your requests as well as those of your guests. Fill out as many spaces as you would like, but don't feel that you need to fill all of them. We can get a good idea of your favorite genres of music by looking at a few of your favorite songs and artists.

Perfect Sounds reserves the right to edit this play list when necessary and at their discretion. Perfect Sounds does not guarantee that all listed songs will be played during your event. Mandatory songs should be marked by a star and discussed with Tom in advance to ensure that they will be given special preference. Thank you.
